St Paul's CE Primary Sport Grant Expenditure Review

Overview

The Department for Education has announced high level changes to the Primary PE and Sports Premium from September 2017. They state that schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

Schools should use the premium to:

- Develop or add to the PE and sport activities that the school already offers.
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years.

Total grant spent 2018/19: £16,600

Total grant received 2018/19: £17,718
