## WORLD BOOK DAY—7TH MARCH 2019

This year, we will be celebrating World Book Day in a different way.

Children are invited to make a Book In A Box. It's really simple:

1. Find an empty shoe box, cereal box or any other cardboard box.
2. Decorate the outside of the box to represent the book—this could be characters, a scene from the book or ideas about the whole book
3. Fill the box with objects or pictures
4. Remember to put your name and the title of the book on your box.
5. Bring your Book In A Box into school on Thursday 7th March.
6. Prizes for the best entries in each class.
7. See the other side of this newsletter for some ideas.

**A reminder that parents are not allowed inside the school building without a member of staff for safeguarding reasons.**

Several parents have recently been bringing their children in through the hall door in the morning. If the class door is shut, please walk round to the main reception door, where your child will be taken to class by a member of staff. Thank you.

Our ParentApps has been updated by the company. If you already had the original app, you should have received an invitation to download the new app.

If you didn't have the old app, please speak to Miss Robinson about downloading ParentApps Connect.

## CELEBRATION WORSHIP

Please remember that parents/carers are invited to join our Celebration Worship. Children receive certificates for good work or effort, attendance will be given out and birthdays celebrated. We look forward to you joining us on Fridays at 9:05am.
