

2021-
2022

St Paul's CE Primary Sport Premium Spending Plan

Overview

The Department for Education has announced high level changes to the Primary PE and Sports Premium from September 2017. They state that schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

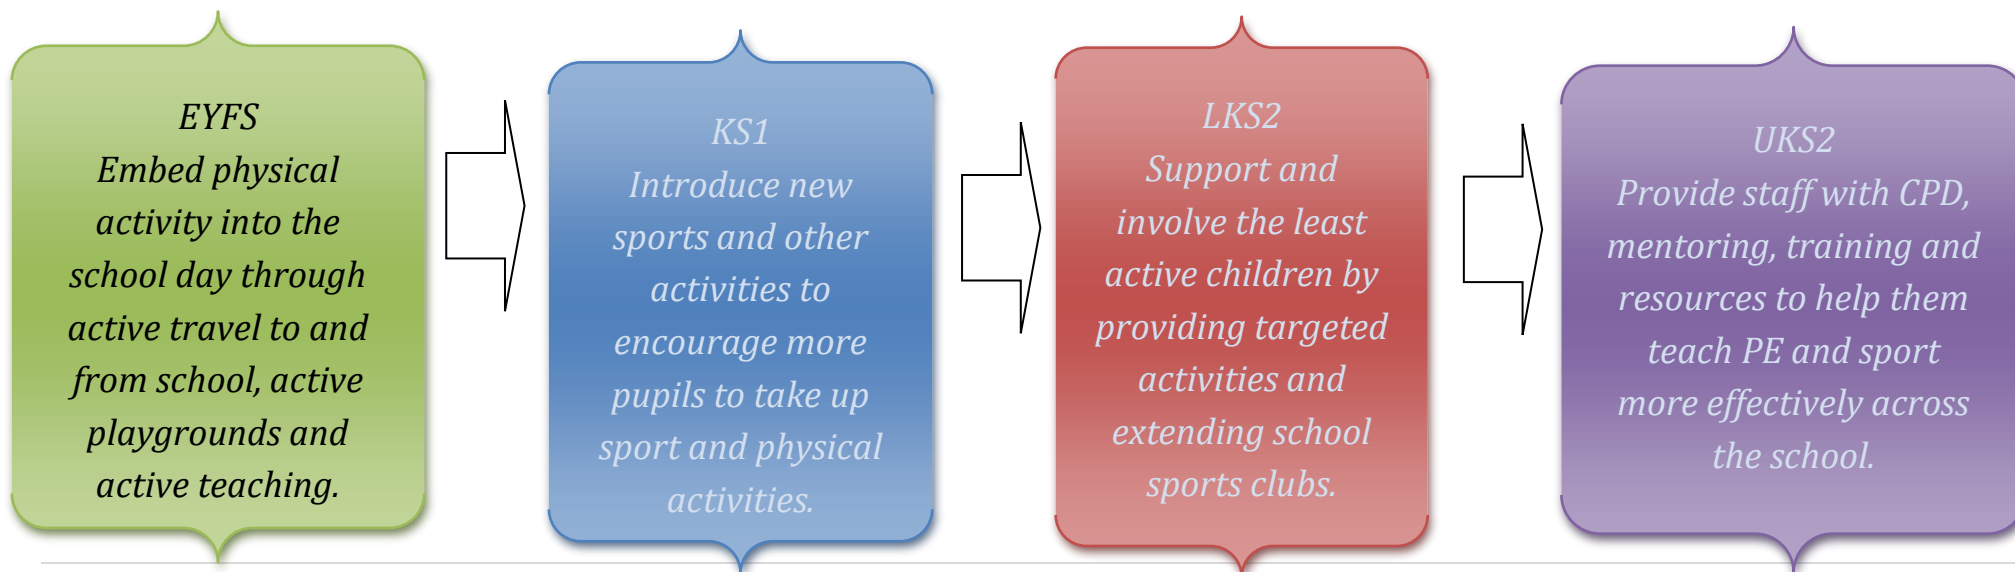

Schools should use the premium to:

- Develop or add to the PE and sport activities that the school already offers.
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years.
-

Total grant received for St Paul's 2021-22: £17,680

Whole school approach

Below is our Sport Grant Expenditure strategy. Our intended impact is to provide our pupils with a variety of opportunities to develop a healthy lifestyle alongside the mind set to succeed whether for competing or just for fun.

Objective	What are we spending the money on?	Cost	Intended Impact
To be able to deliver a varied and stimulating curriculum and allow children access to a range of competitive sports.	Buy in of Rees Sports Services to <ul style="list-style-type: none"> • deliver quality PE lessons in a range of competitive sports • provide an appropriate progressive, skills-based PE curriculum for all year groups from Y1-Y6 • provide, through observation of good practices, opportunities to develop staff confidence in the planning and delivery of quality PE lessons • support staff with planning additional PE lessons • prepare children to compete competitively in a range of sports competitions and tournaments • provide support for the newly appointed PE lead • audit the resources and equipment used in school regularly • provide lunchtime clubs for children in all year groups 1-6, encouraging children to engage in physical activity and develop appropriate use of lunchtime PE equipment • provide after school clubs for Y1-6 over the school year, supporting the development of PE skills. These will be free to all children attending. 	£11,400	Children will have access to a wide range of sports and will develop a range of skills progressively throughout school which will enable them to compete at competitive levels in a range of sports.
To improve teachers' confidence, knowledge and skills in delivering high quality PE lessons to impact on the children's enjoyment, achievement and progress in PE.			Children will have an enthusiasm for sports activities and all children can find a sport that they enjoy and can be successful in. As a result, children's fitness levels improve.
To take part in a range of sports competitions and tournaments.			St Paul's is represented in a range of sports competitions and tournaments at Trust level and within Salford.
To provide support and guidance for new PE Subject Leader			Teachers deliver high quality PE lessons, which build on prior learning and support the development of new skills in a progressive manner. As a result, pupils leave school with a positive attitude to sports, all pupils make appropriate progress and attainment in PE is high.
To target inactive children at lunchtimes and after school clubs			PE is led strongly by a knowledgeable and well-informed PE subject lead. As a result, teachers feel confident in delivering PE lessons, PE teaching is good and pupils achieve at least expected standards. More pupils engage in lunchtime PE sessions and after school clubs.
To provide opportunities for children to participate in individual and team sports outside school hours.	Salford Schools Cross Country Races fees	£25	Children will develop resilience and confidence and understand the importance of commitment related to sports activities.
	Medals for all children who participate in Cross Country Races	£1.15 per child	
	Trophies for highest places in Cross Country Races – 1 st , 2 nd , 3 rd in Y3/4 and Y5/6 races	£3.90 per child	
	Purchase vouchers as an incentive to compete in Cross Country Races	£10 per child	

Promote competitive sports	Sports Day rewards	£500	Children will be motivated to participate in competitive sports.
Healthy and Active school day to raise the profile of PE and Sport.	Visitors and speakers to promote healthy living messages e.g. dance, yoga, healthy eating, sports physio, etc Engage parents – parental workshop Purchase signage to encourage being healthy and active	£3000	Children will be encouraged to keep healthy and active during the school day and at home. Children are able to explain what constitutes a healthy lifestyle.
To promote problem solving and team building skills	Train two members of staff to deliver Forest School activities – up to level 3	£1600	Children engage with the outdoors. Children work well as a team and develop a range of problem skills which they can apply to other learning situations.
To encourage participation in more high-risk skills to build confidence and resilience	Participate in skateboarding events at Graystone Activity Centre	£3000	Children develop confidence, resilience and are more able to take risks.
To provide an opportunity to work with an inspirational role model from sport	Visit from Olympic Athlete – Andy Turner – and exercise workshop during World of Work week. Visits from other sports role models.	£950	Children are motivated and inspired to take part in physical activity and are able to transfer this motivation to other learning situations.

Meeting national curriculum requirements for swimming and water safety	% of pupils
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?	N/A
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?	N/A
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?	N/A
